NEW COLLECTION AUTUMN-WINTER 19/20

Autumn/Winter 19-20 collection brings together best Italian aesthetics' traditions, youth style and the most current fashion trends. Creativity and a sense of humor comes along with bright prints and the most unexpected design decisions.

The new season relies on bold combinations: red and blue, knitted textures and matte eco-leather, incredibly comfortable fabrics and trendy silhouettes, delicate glow of pleats and soft textures, sports style and classics, romance and grunge.

The collection's palette is inspired by this season's favorites: purple (CROCUS PETAL), yellow (LIME LIGHT), pale blue (WAN BLUE), green (UFO GREEN), red (VALIANT POPPY), dark blue (SARGASSO SEA).

The eclectic wardrobe of Z generation conveys relaxed expression of their personality. Romance, rocker style, creative rebellion spirit and freedom of choice are combined in a cheerful story of celebrating youth and the courage to be the one you want to be. Freshness and playfulness is a new trend of the autumn/winter season which seems to be irreplaceable for kids' fashion. Collections are designed to make every new day bright and memorable.
